

**This file contains multiple Azure landing zone architectures and diagrams. Please choose which architecture/diagram you'd like to view.**

**If you don't know which one, we suggest you start with either  
“ALZ Hub & Spoke”, “ALZ VWAN”, or “ALZ Terminology”.**

**It also contains the diagrams for Sovereign Landing Zones. See “SLZ Hub & Spoke”, “SLZ VWAN”, or “SLZ Hierarchy”.**

**VERSION: 2025-09-12**

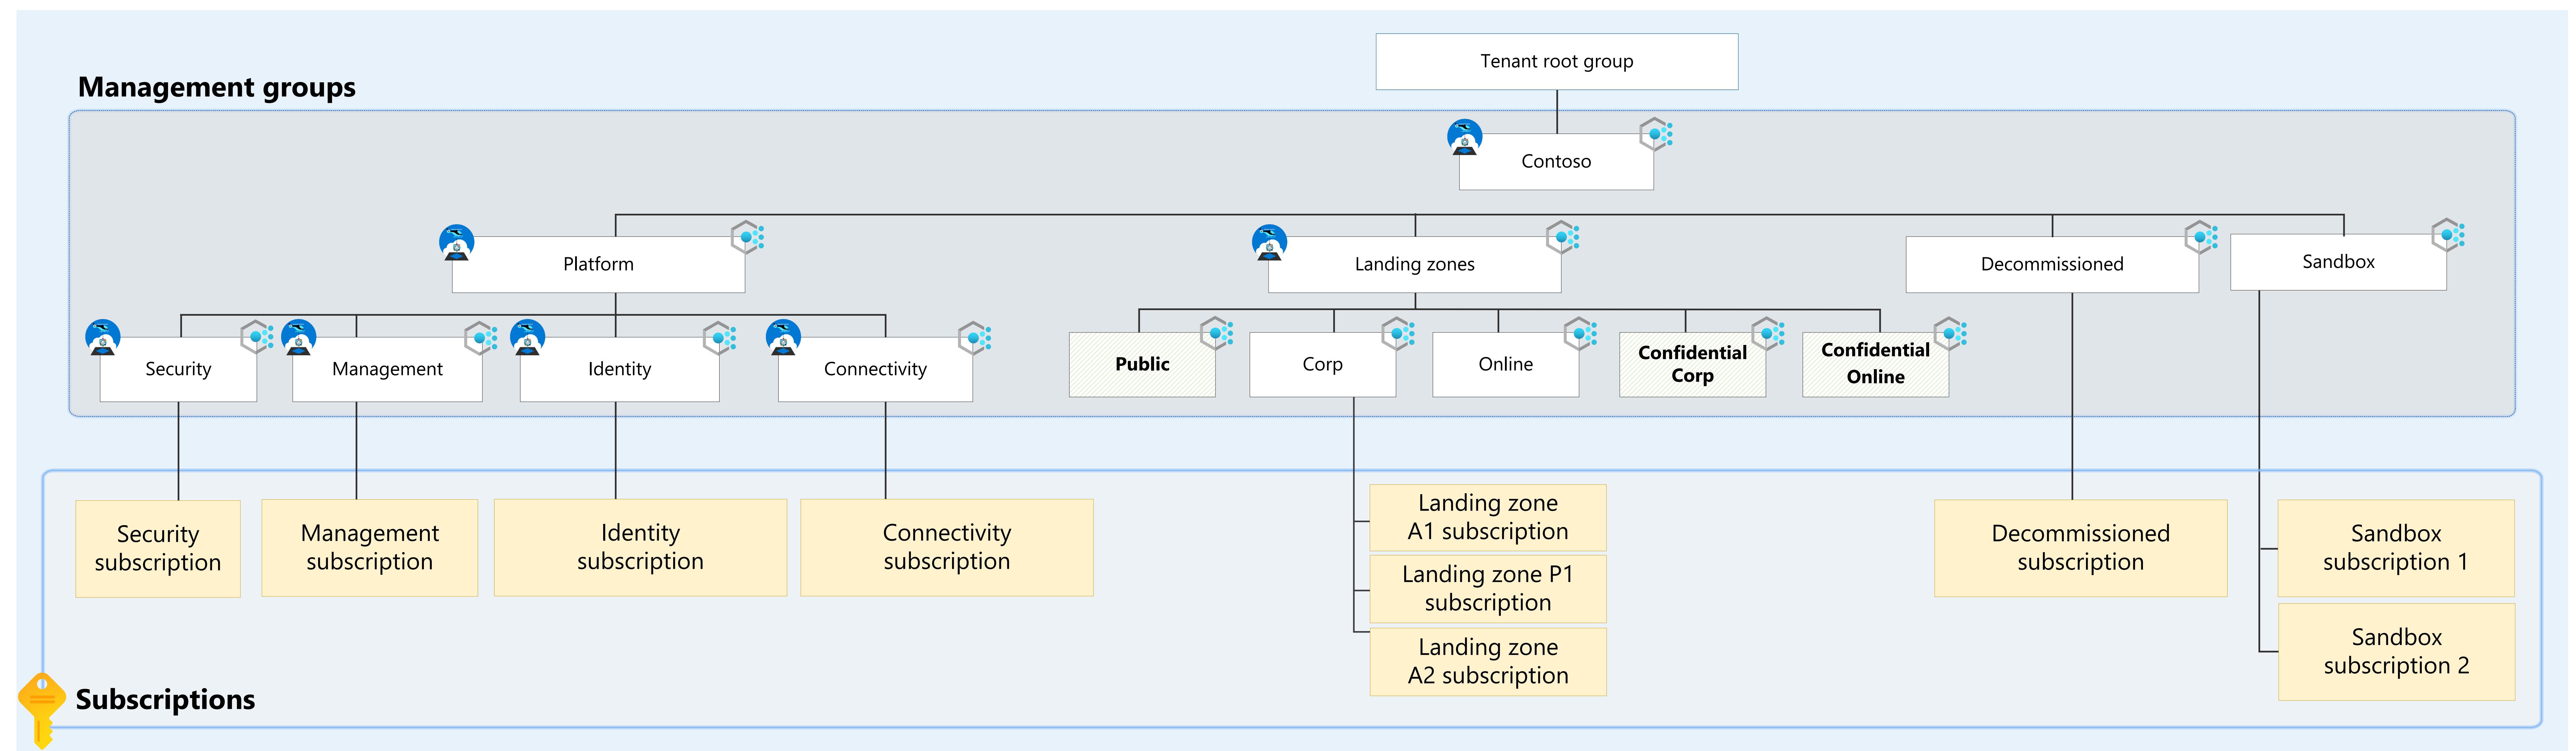

## Azure Landing Zone (ALZ) – Virtual WAN

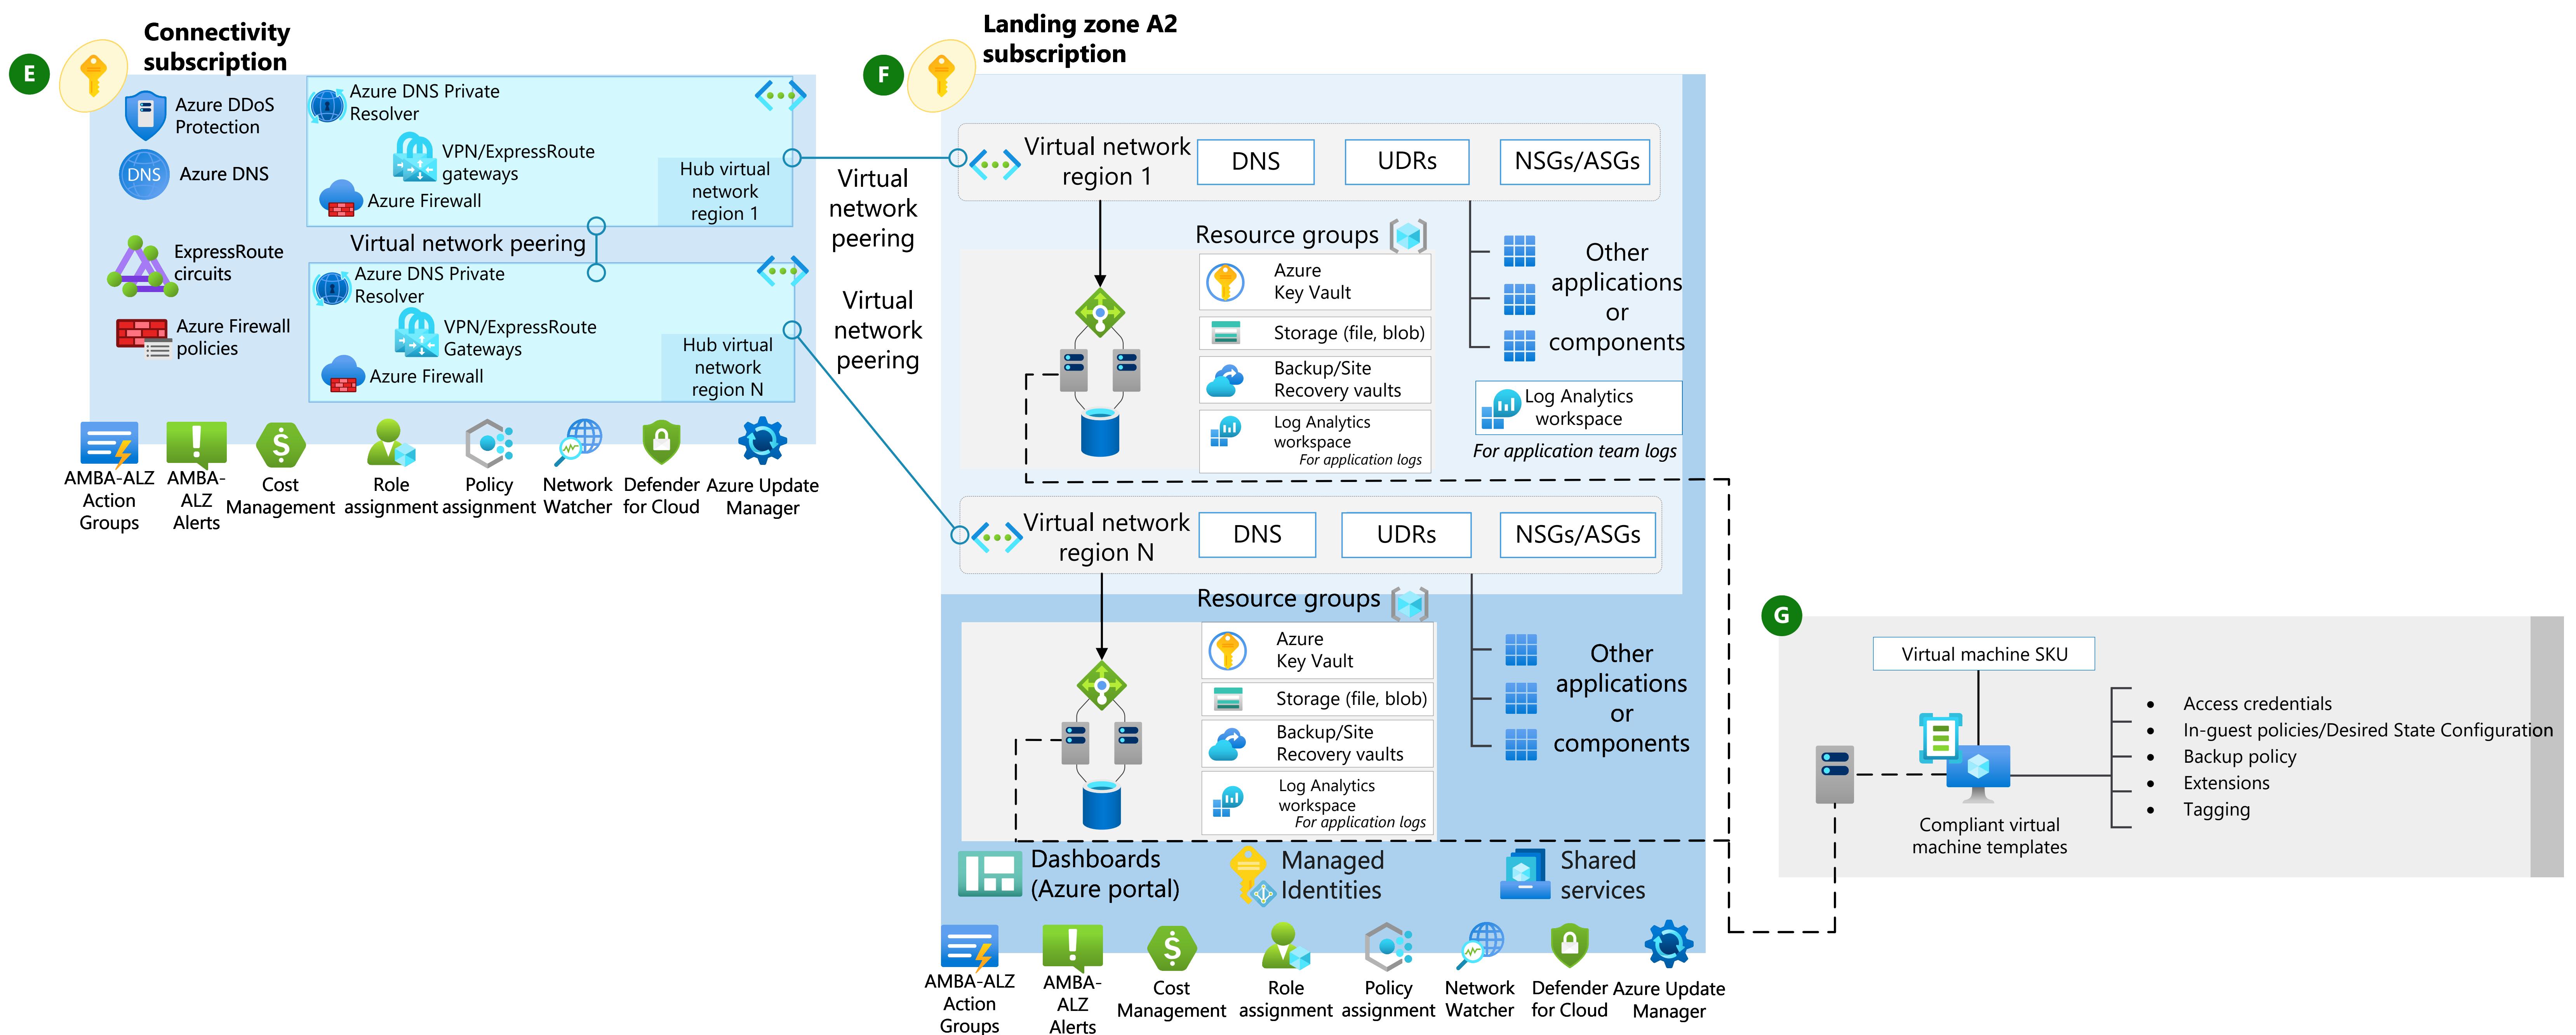

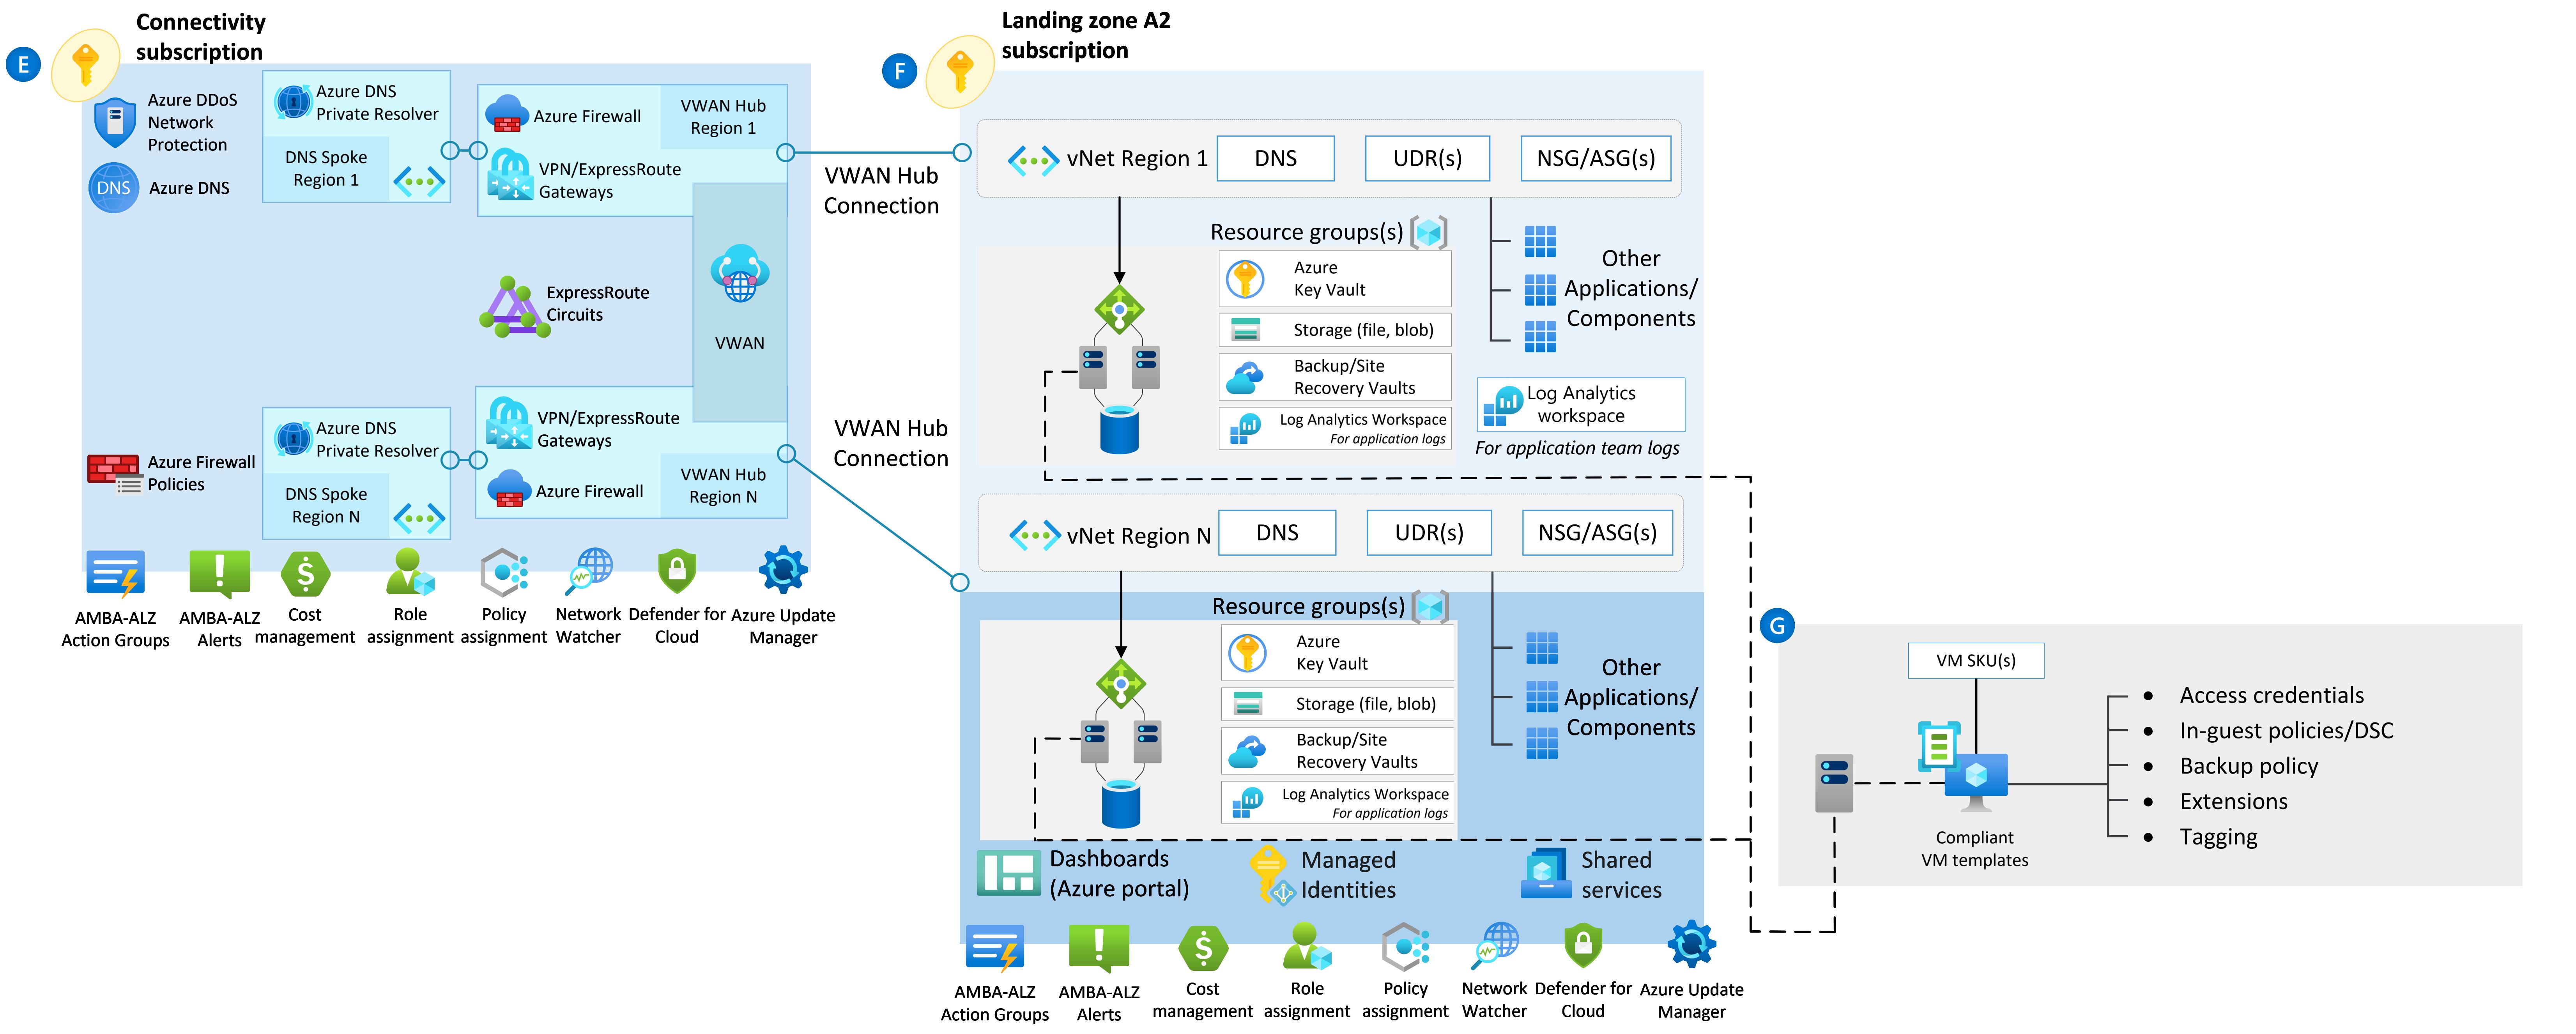

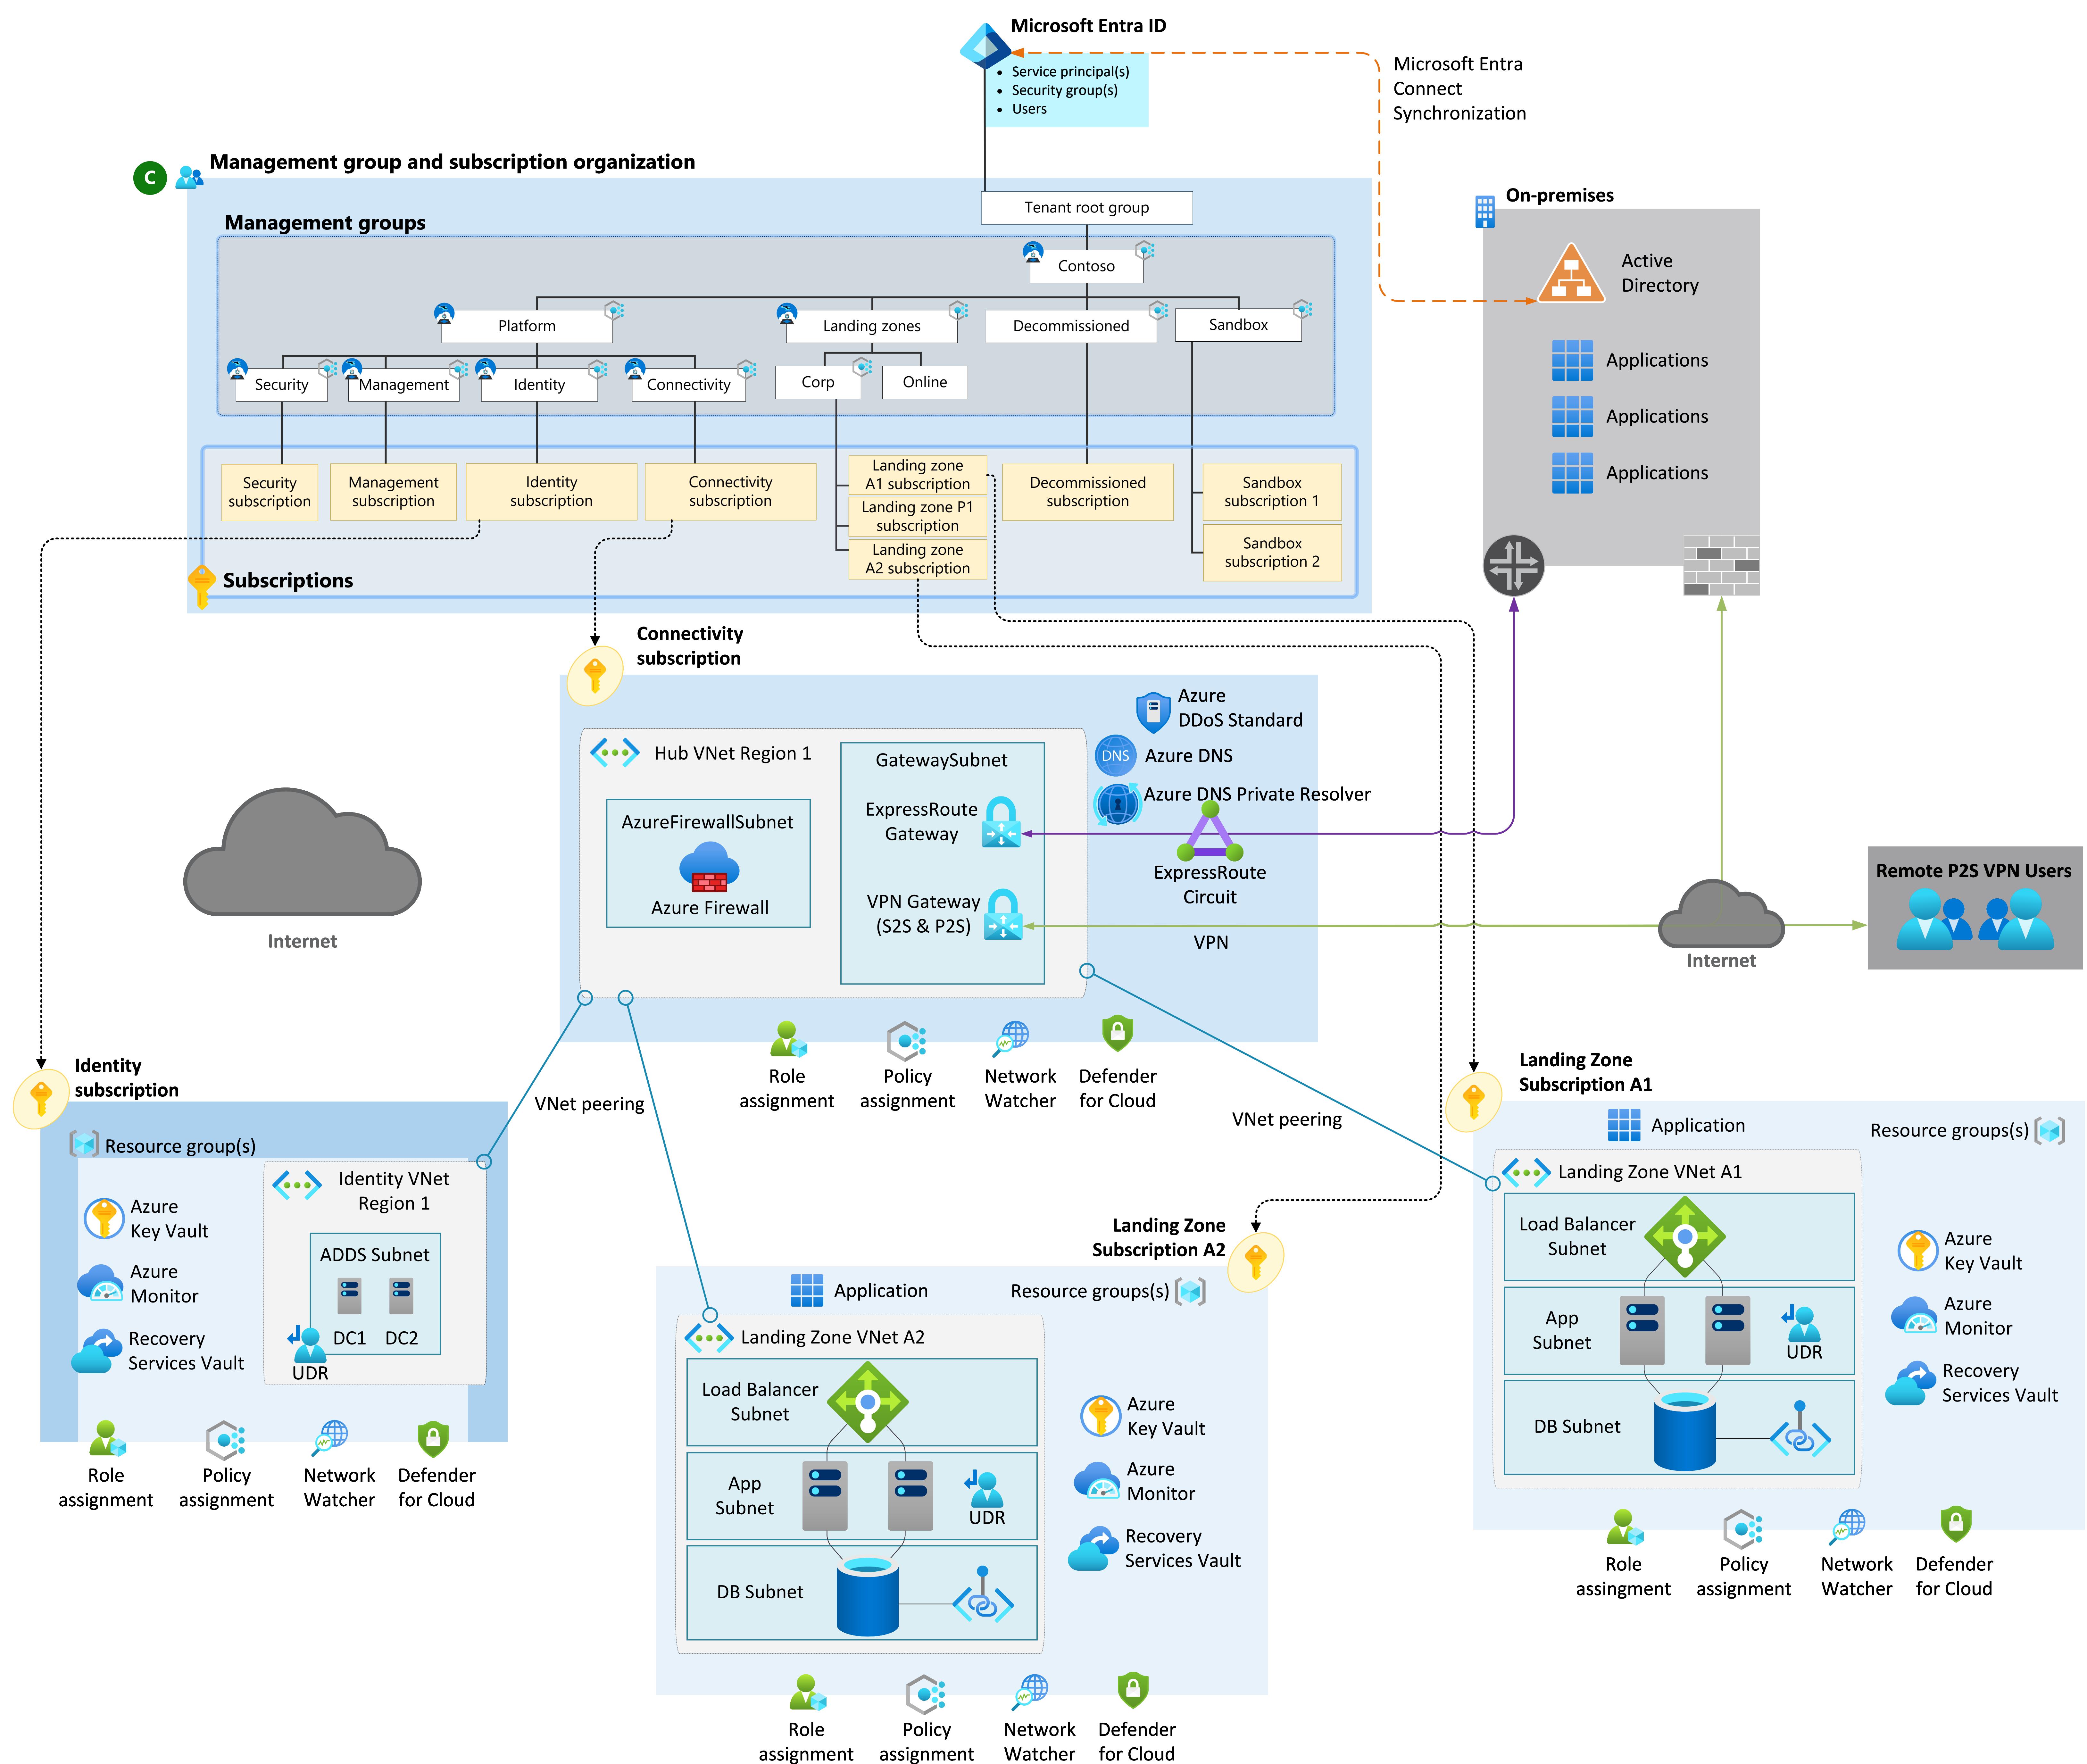

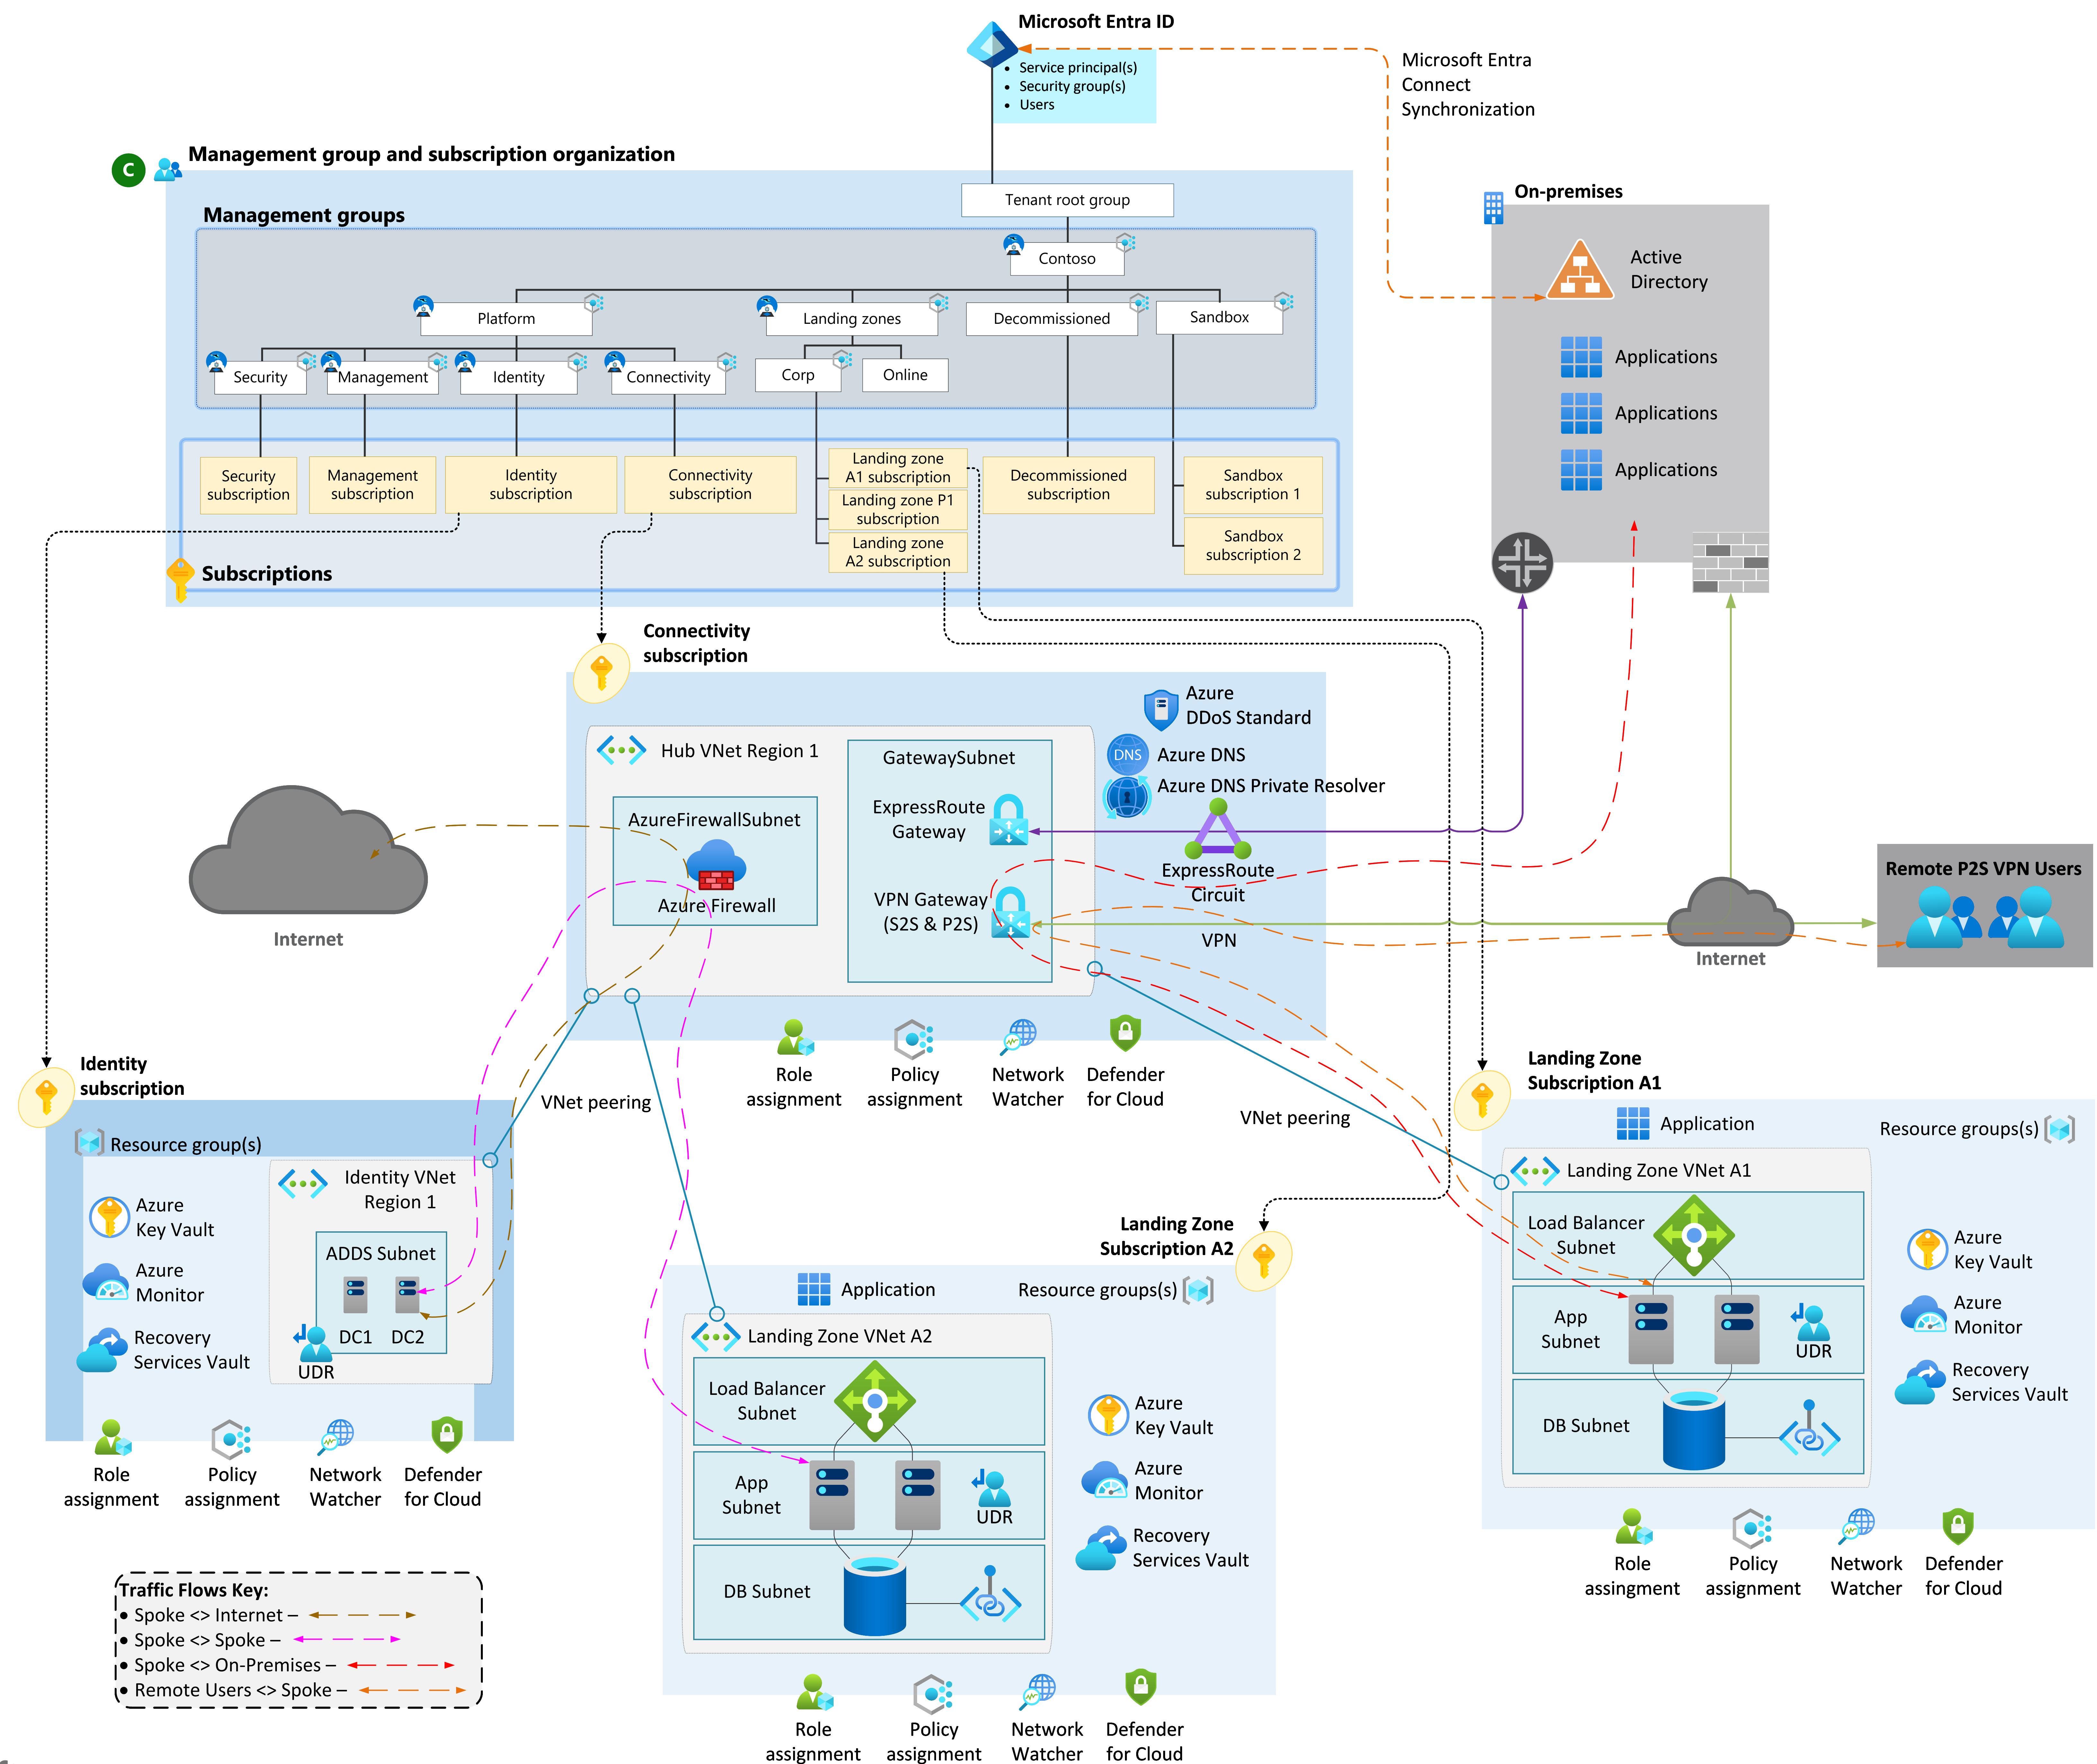

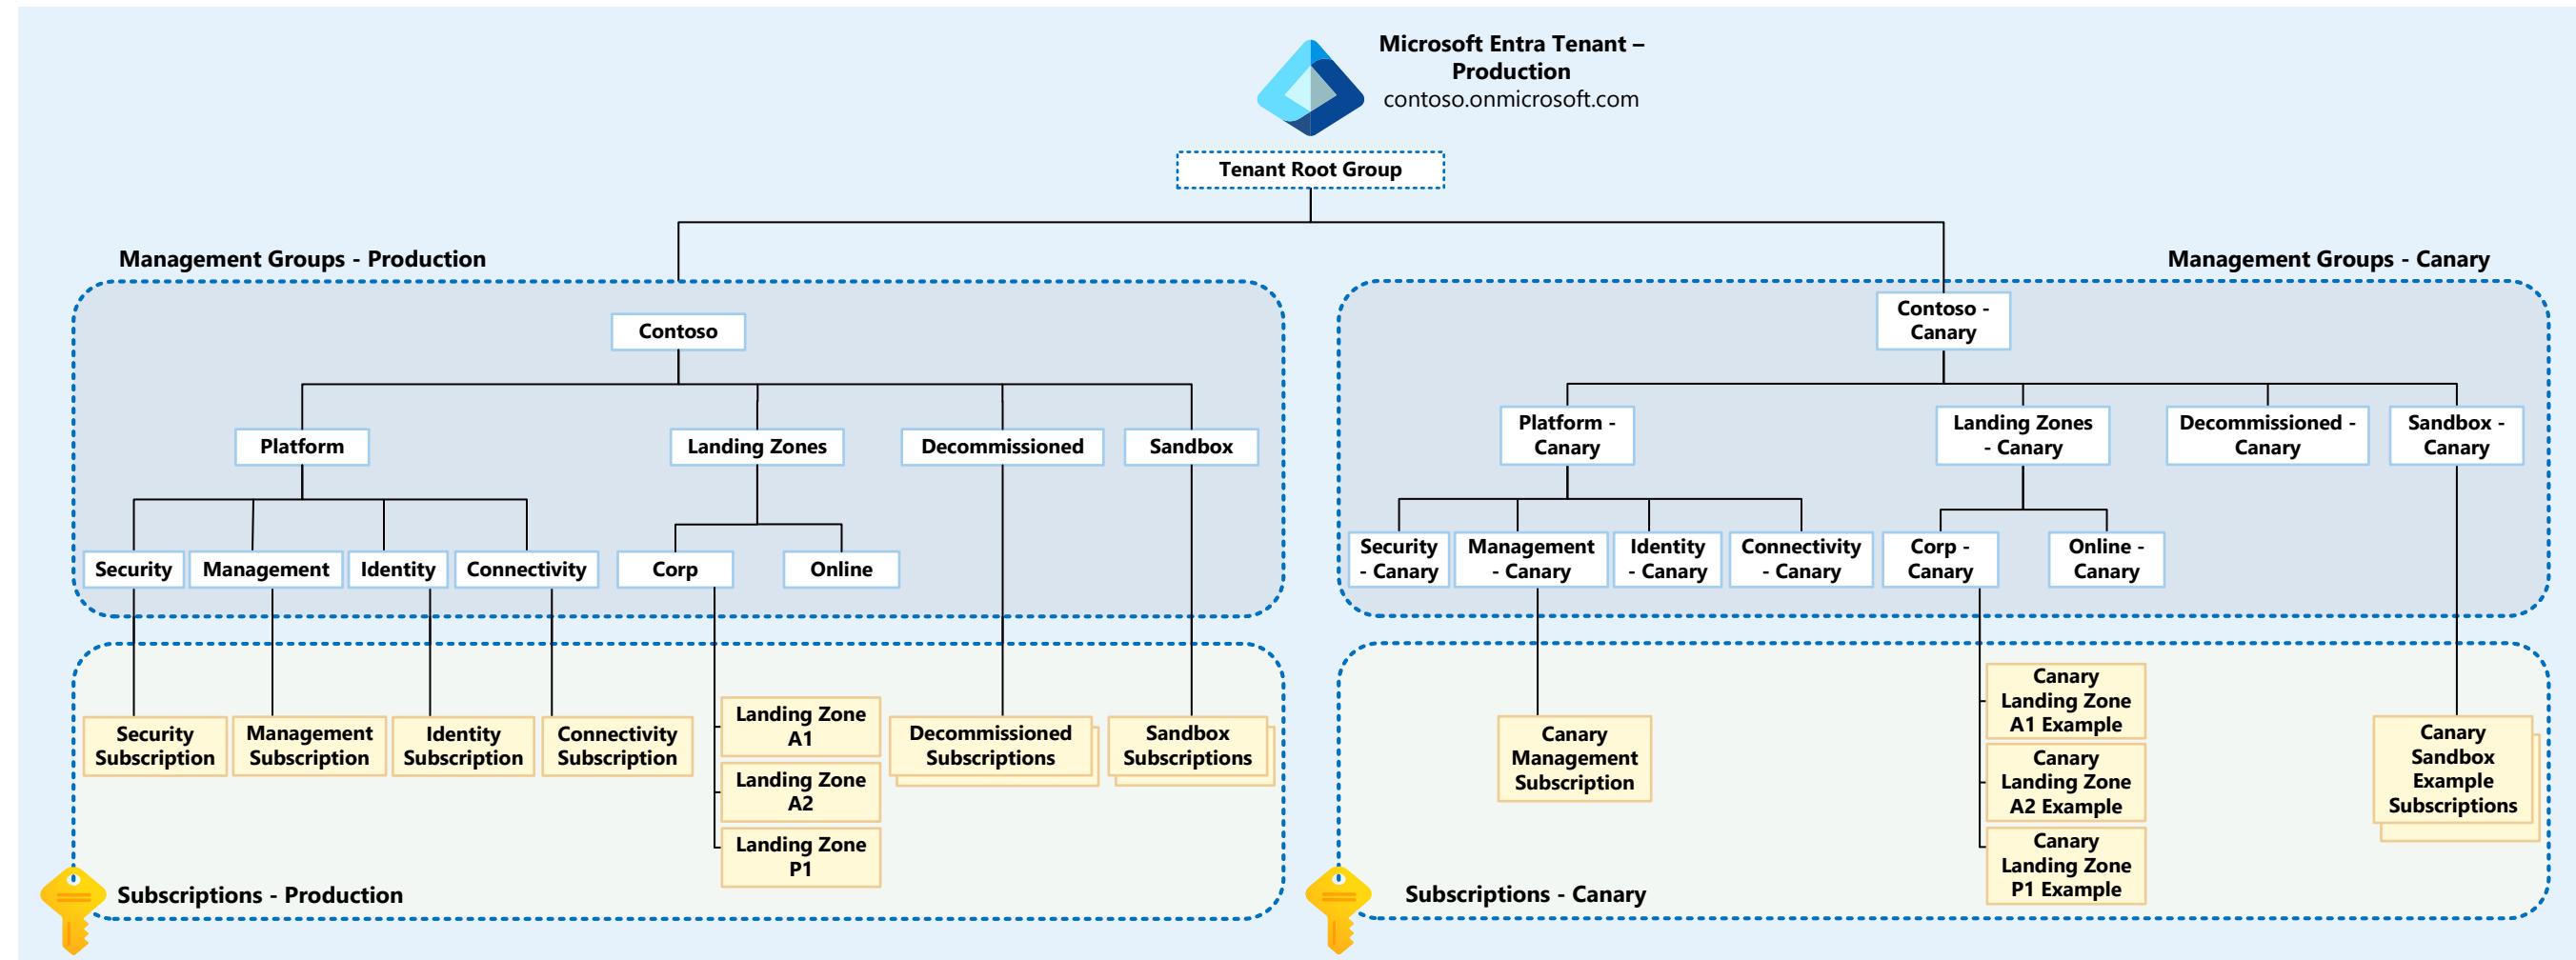

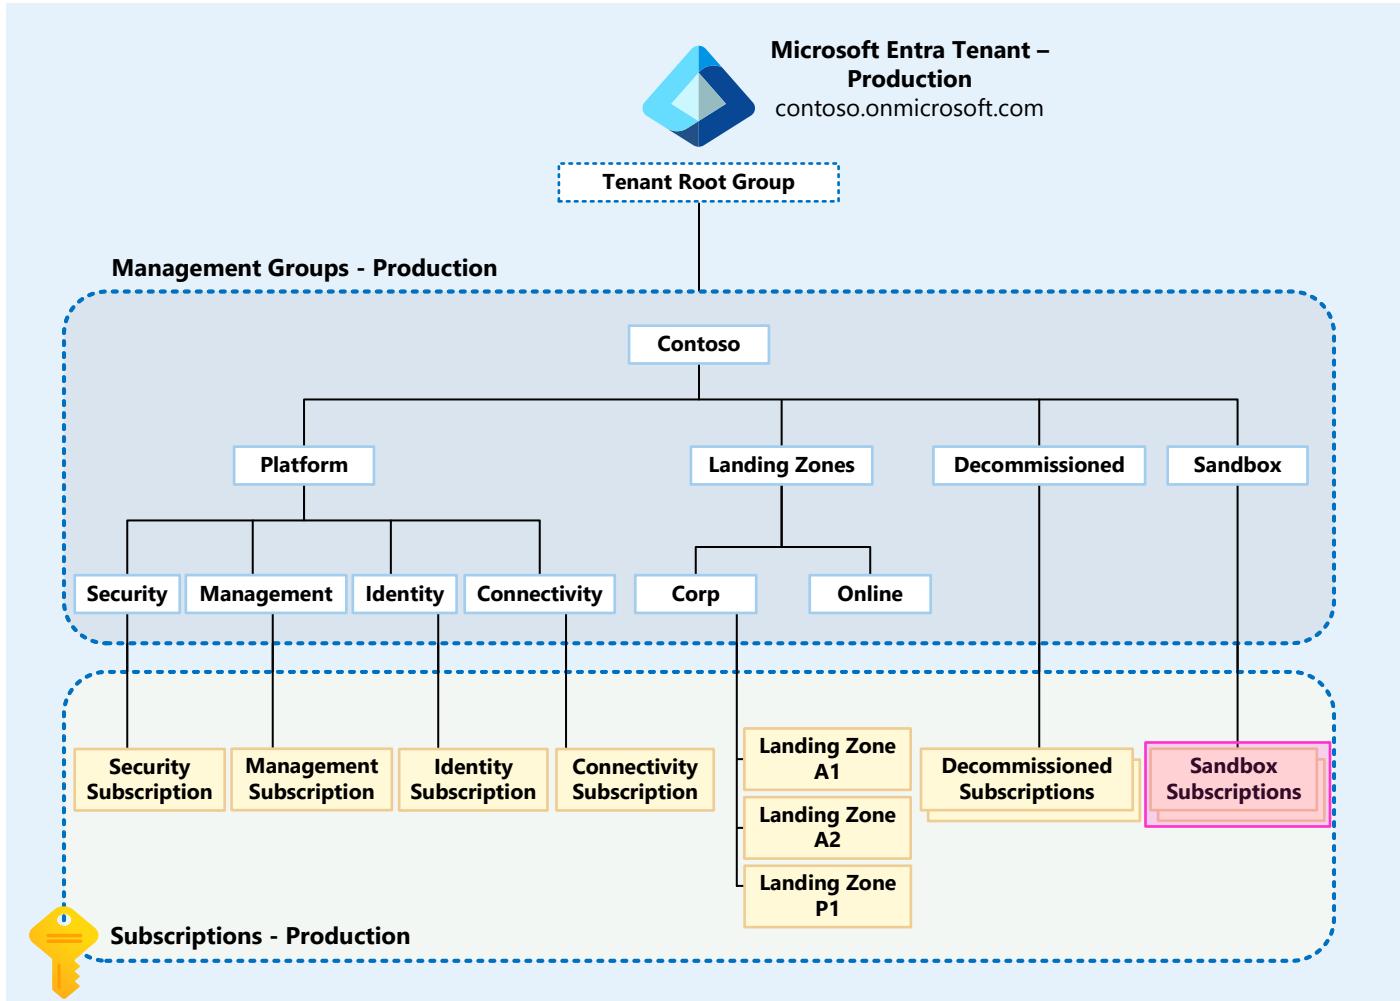

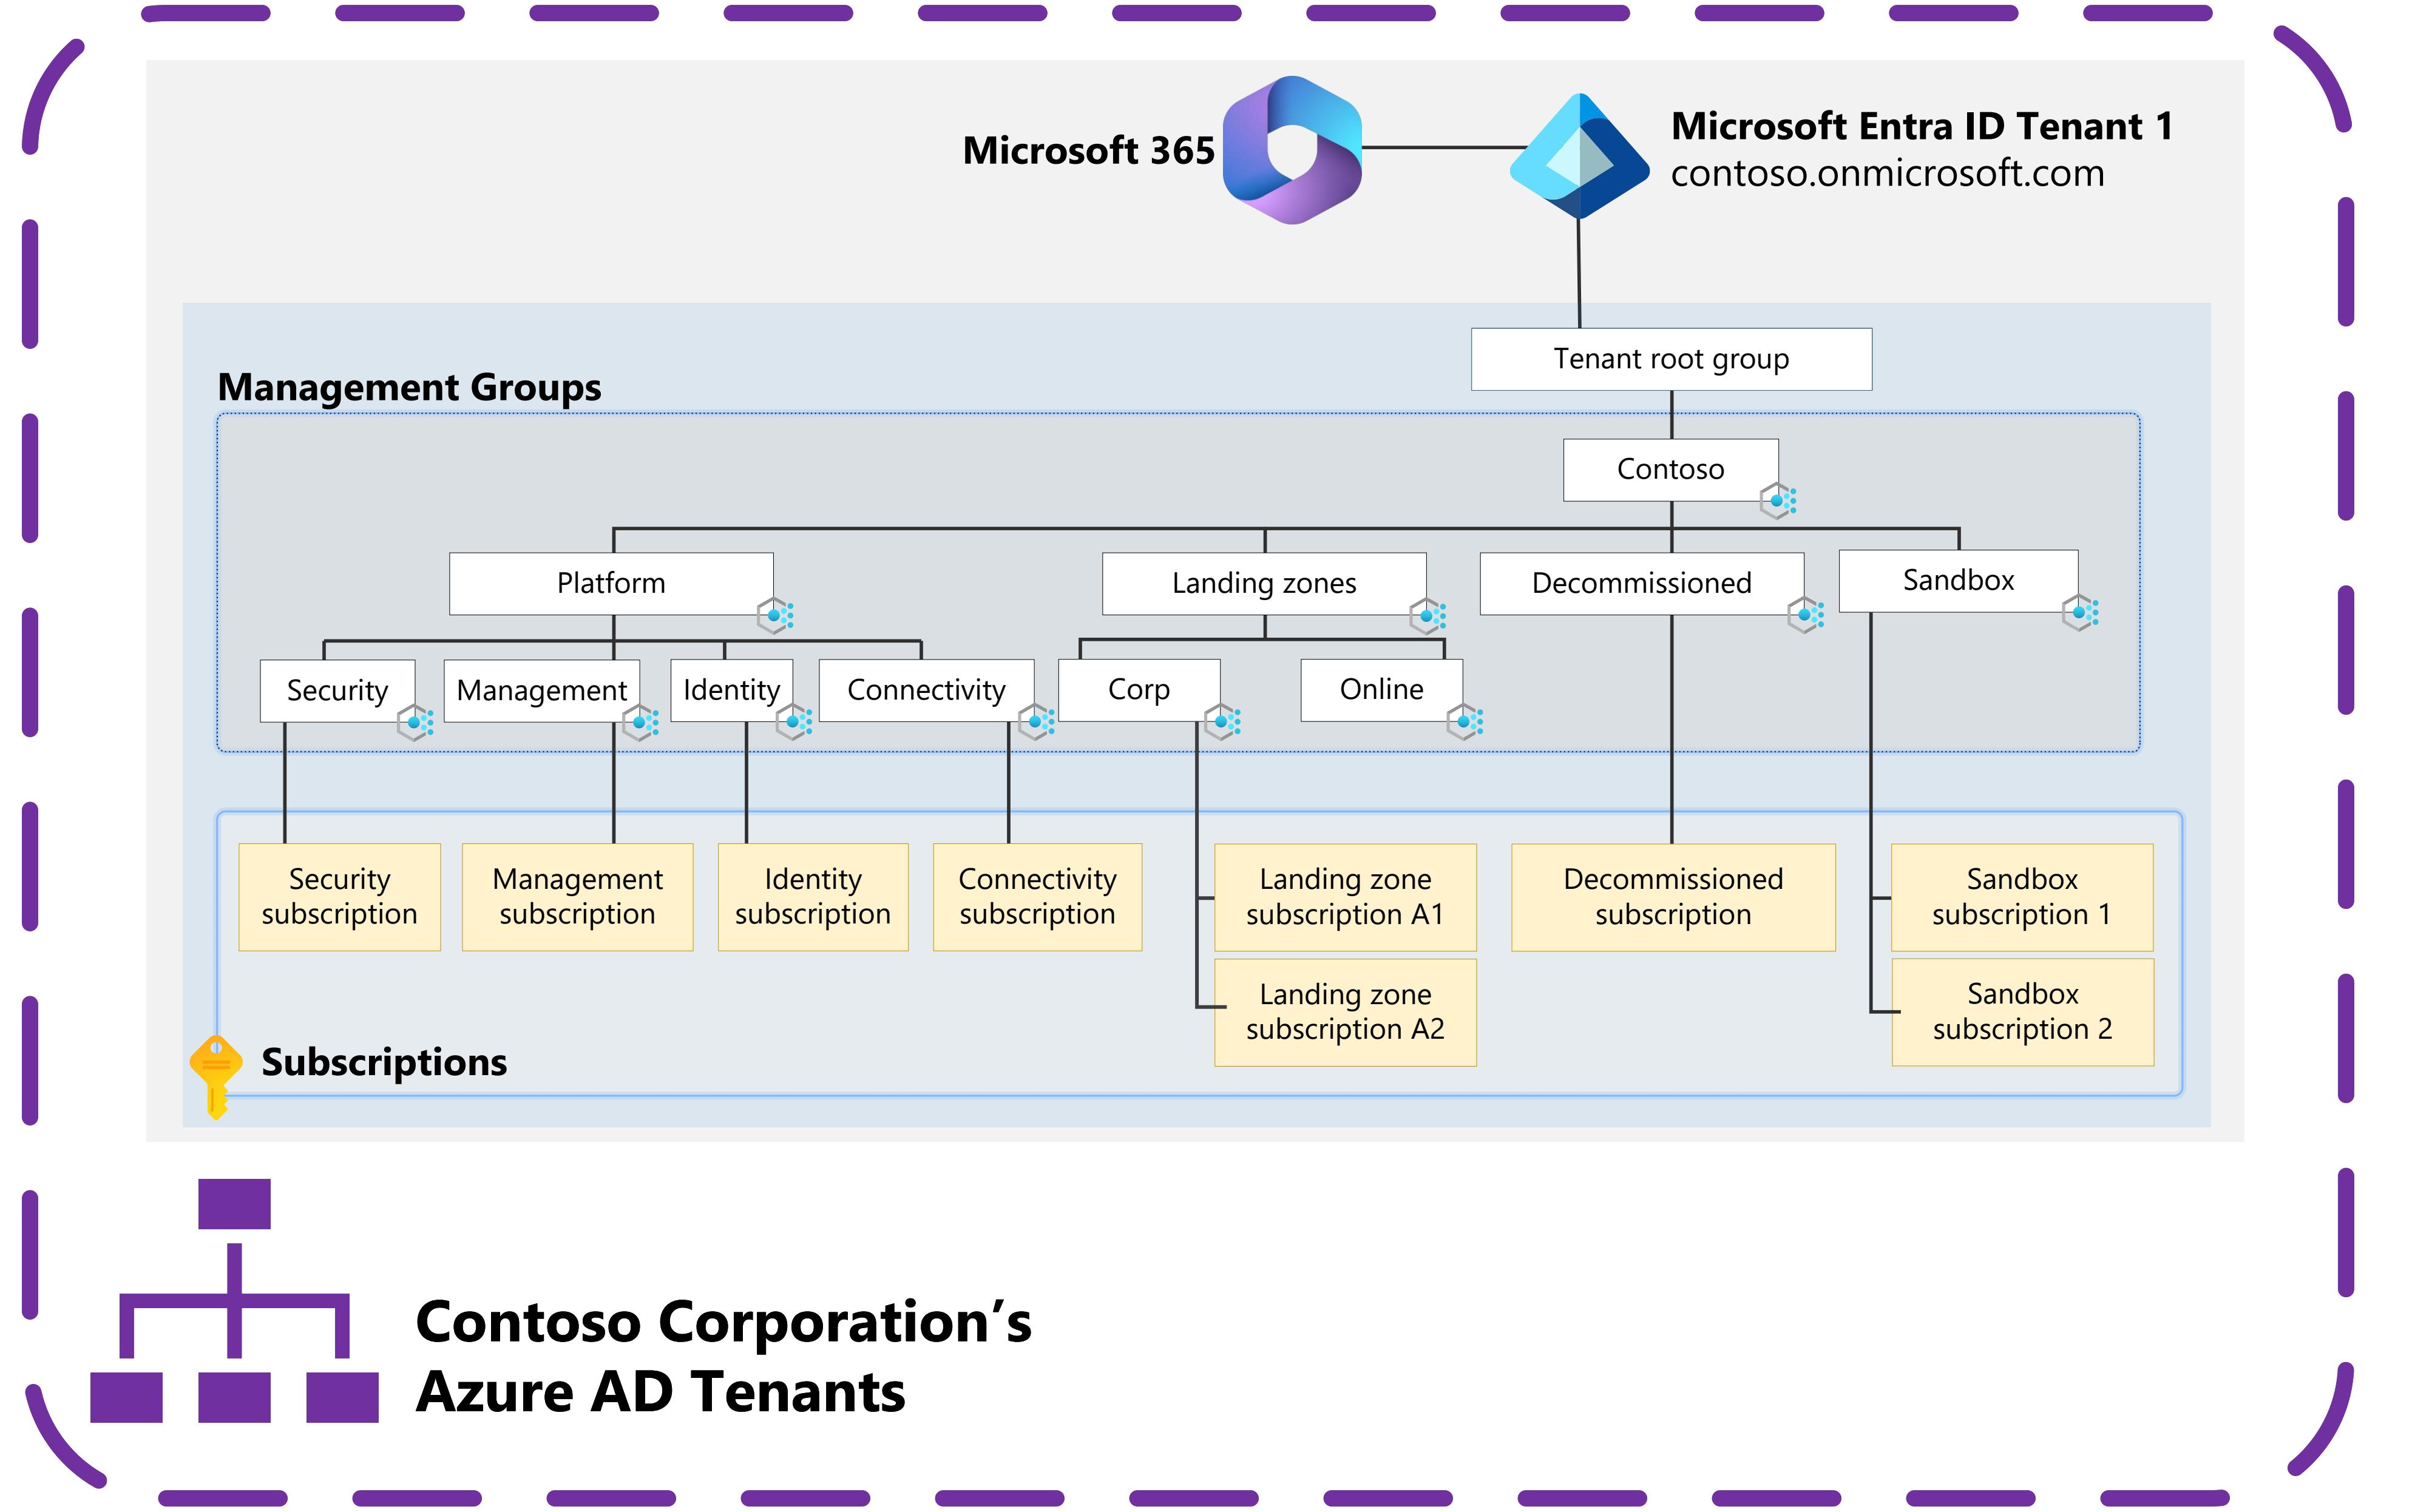

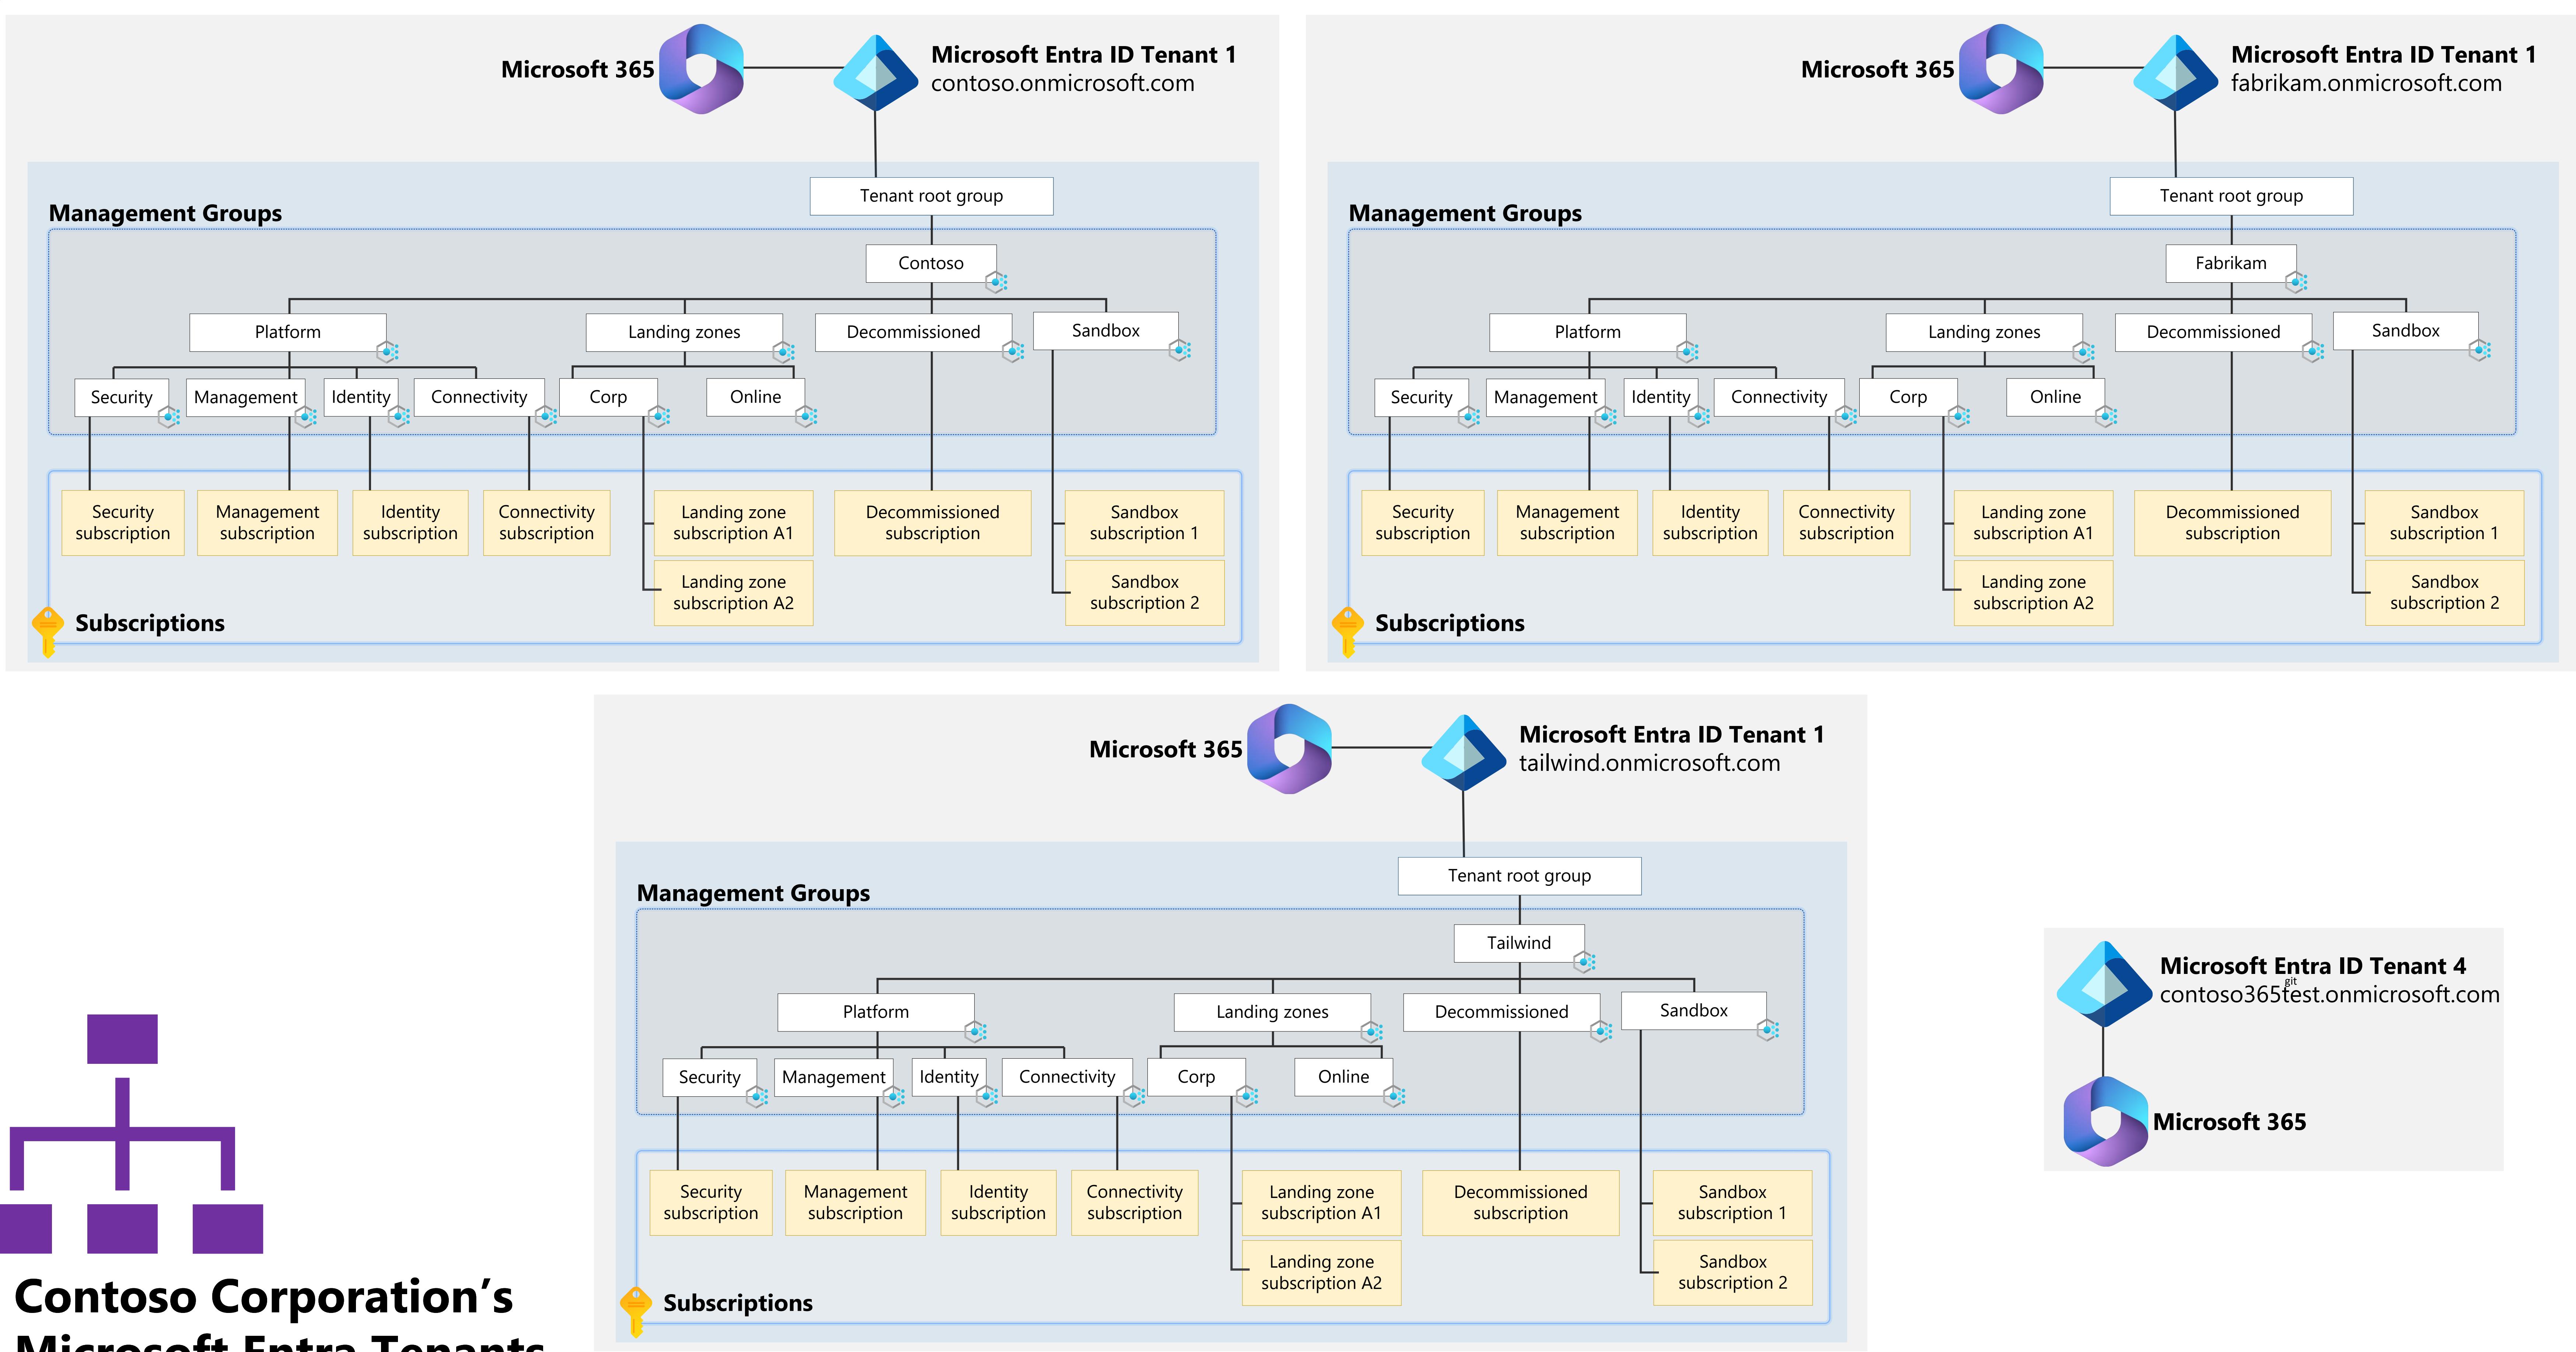

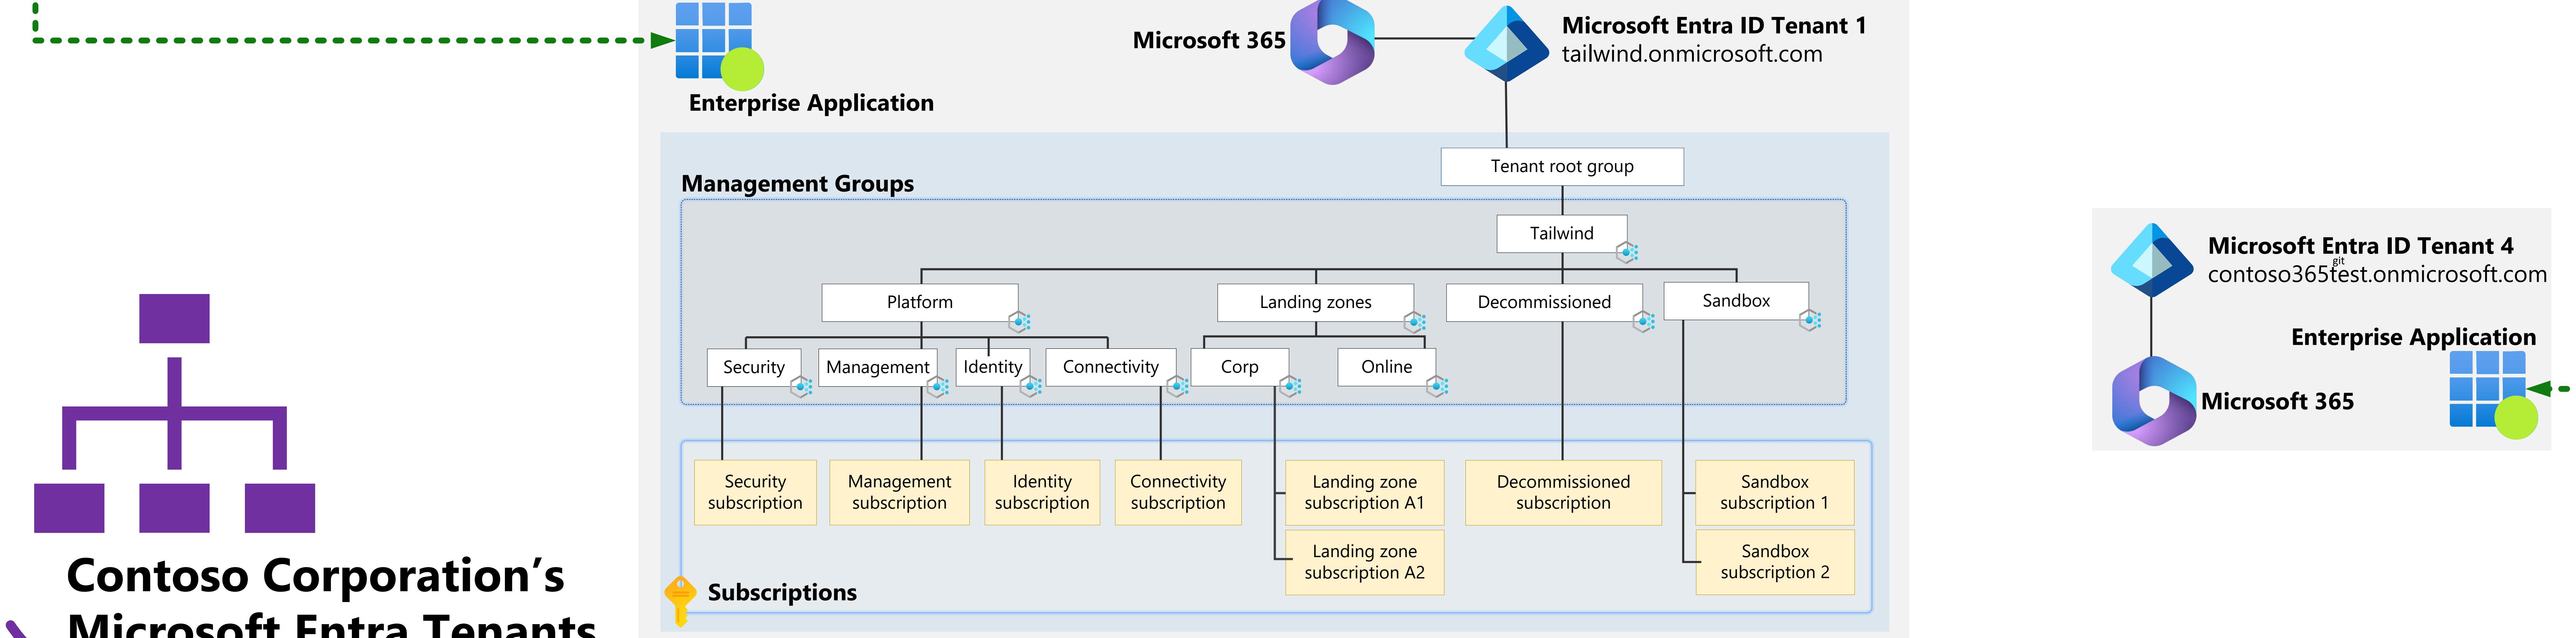

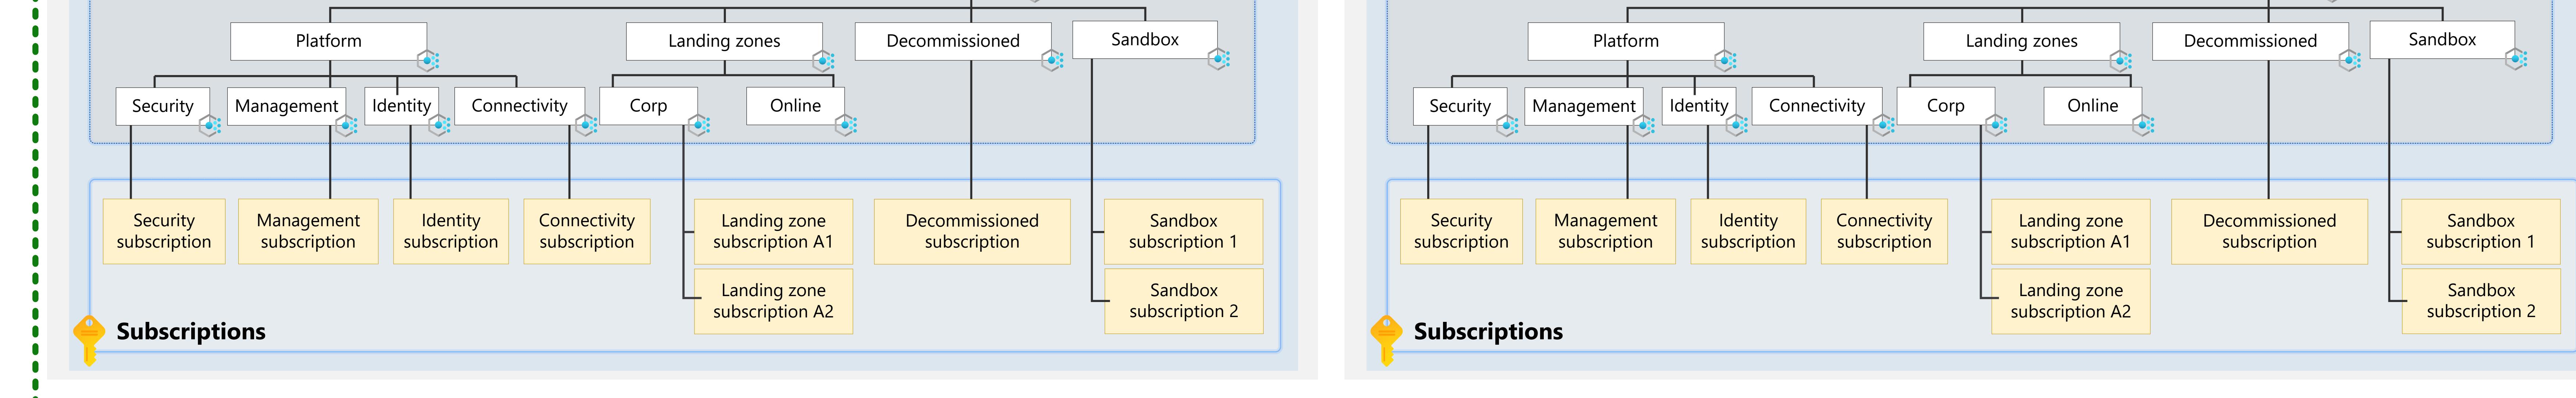

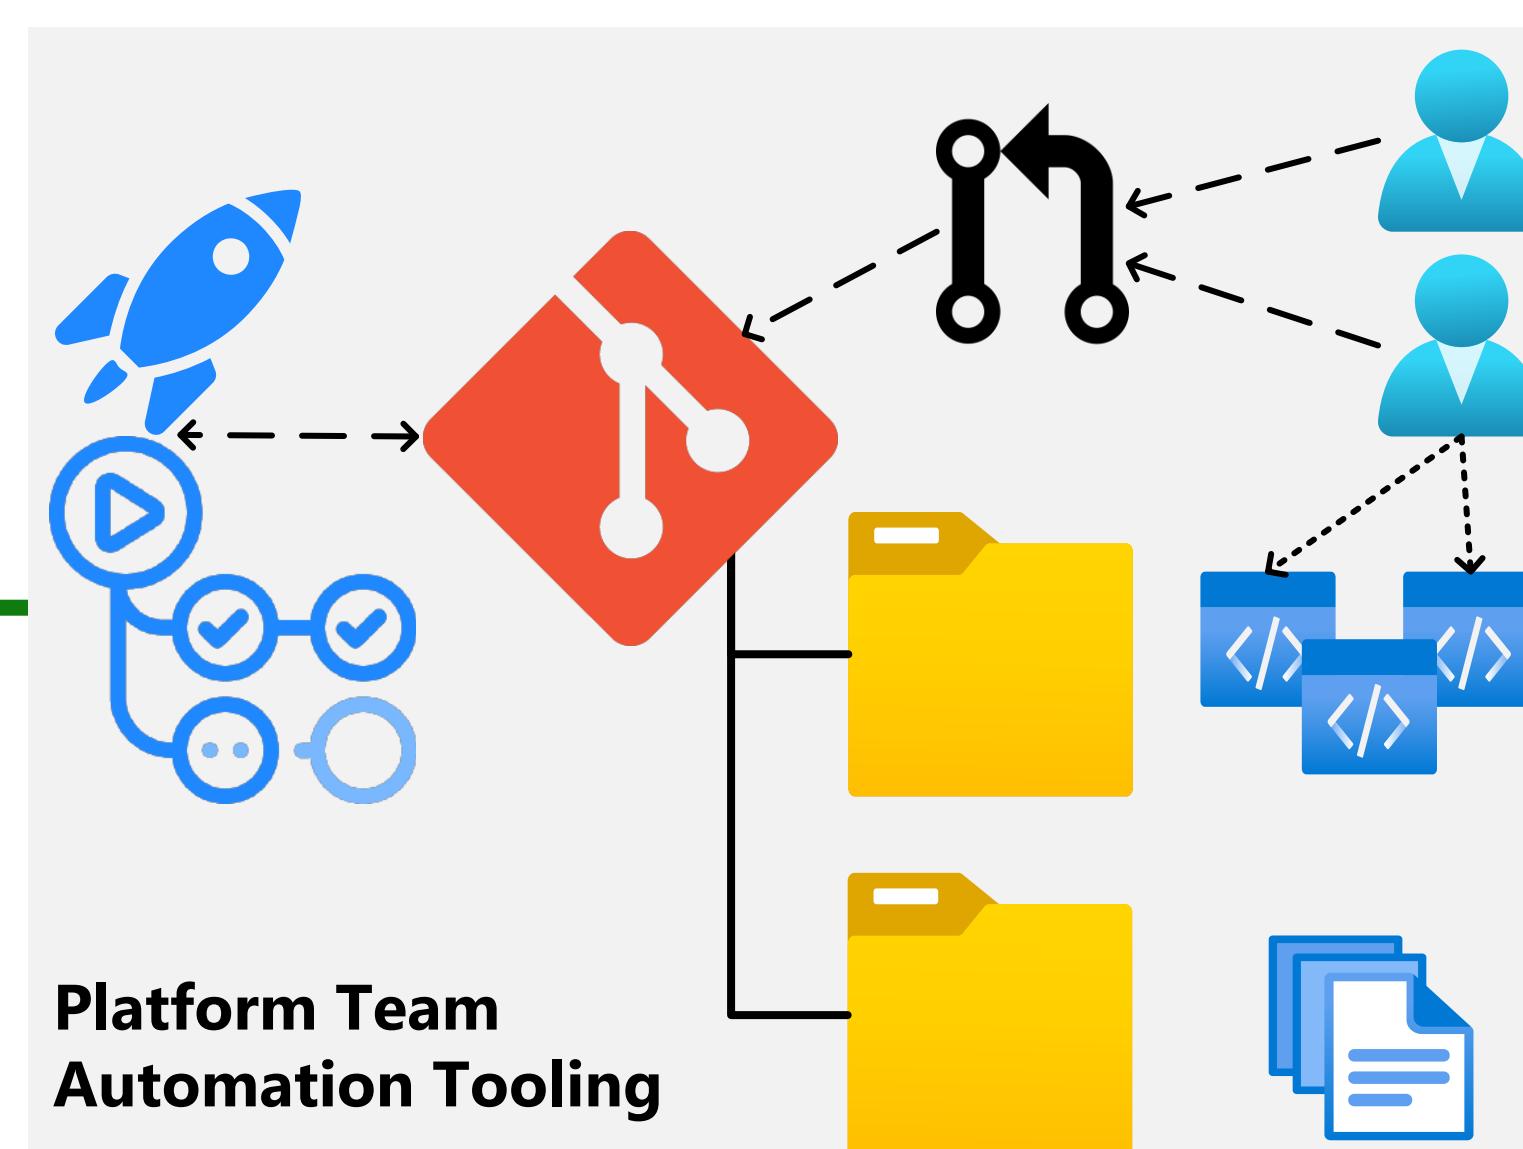

## Contoso Corporation's Microsoft Entra Tenants

## Contoso Corporation's Platform Automation Tooling
